

The Lawrence County ESC had a special visitor the other day. Archie....The Lawrence County Sheriff Department's newest K9 Unit addition. Archie, and his partner Deputy Scott Wilson, stopped by to see their friends at the Lawrence County Educational Service Center.

Deputy Wilson began working for the Lawrence County Sheriff's Department in 2003. In October 2008, he became the fourth School Resource Officer and K9 Handler for the school districts in Lawrence County.

Archie is Deputy Wilson's third K9 partner. He was preceded by Hemi and Kilo. We wish Deputy Wilson and Archie the best and thank them for stopping by to see us here at the ESC!!
